

"The GreyForum is a series of onsite and online courses, seminars, and workshops where grey literature provides common ground for information professionals in the process of knowledge transfer"

Data Papers, A Trusted Tool in Research and Data Sharing

GreyForum 6.1

Dr. Plato L. Smith

**Data Management Librarian
University of Florida Libraries**

Plato Smith is the Data Management Librarian at the University of Florida with experience in academic research libraries, digital libraries, and data management. He received his doctorate in the field of Information Science from the School of Information within the College of Communication and Information at Florida State University, Florida's iSchool, Summer 2014. From 2005 to 2012, he was Department Head for the FSU Libraries' Digital Library where he developed, populated, and managed digital collections in the FSU Libraries' digital content management system, DigiNole Repository, and electronic theses and dissertations (ETDs) institutional repository.

Dr. Dominic Farace

**Director and Journal Editor
GreyNet International**

Dominic Farace is Director of GreyNet International, an independent organization specializing in grey literature and networked information. He holds degrees in sociology from Creighton University (BA) and the University of New Orleans (MA). His doctoral dissertation in social sciences is from the University of Utrecht, The Netherlands, where he has lived and worked since 1976. Farace founded GreyNet, Grey Literature Network Service in 1992. He has since been responsible for the International Conference Series on Grey Literature (1993-2017). He is also editor of The Grey Journal and provides workshops and training in the field of grey literature.

Email: journal@greynet.org

"This workshop and training on Data Papers is geared to librarians, archivists, researchers, and other information professionals in government, academics, and business involved in the management of research data. Emphasis lies in raising awareness to data access and its potential reuse for science and society. Presentations in the morning session are held in a plenary setting, while the afternoon training is conducted with the aid of computers."
