PUBGREY Registry of Publishers in Grey Literature / compiled and edited by D. Farace. - GreyNet International : Amsterdam, April 2026. – Third edition revised and expanded. – 26 p. ISBN 978-90-77484-48-7

GreyNet International maintains a registry of organizations that serve as publishers in the field of grey literature. The PUBGREY Registry contains 41 standardized records submitted by the publishing bodies from 16 countries worldwide. Records include the sector of information, document types, publication formats, main areas of coverage, submission and acceptance, open access compliance, contact details, and related characteristics of the organization embedded in actionable persistent identifiers and URLs. The PUBGREY Registry is a unique information resource connecting both the supply and demand sides of grey literature.
