❑ Guidelines for Papers

Participants are invited to submit an English language abstract between 200-300 words. The abstract should introduce the topic, method of approach, and (anticipated) results of the work in progress, work package, or ongoing operations. Abstracts are the only tangible source that allows the Program Committee to guarantee the content and balance in the program. Every effort should be made to reflect the content of your work in the abstract submitted.

❑ Guidelines for Posters

Participants seeking to present a poster are invited to submit an English language abstract between 200-300 words. The abstract should describe the project, activity, information product or service. The abstract should likewise include a title, name(s) of the creator(s) and full address information. Abstracts are an important source of information made available prior to the event that will be accessible to the participants.
